As we look ahead to season 2025, we can take a moment to celebrate and reflect on the incredible achievements of our club in 2024.

Our men's senior side has made us proud once again by securing back-to-back senior premierships this year over nearest neighbour Anglesea - a testament to their dedication and exceptional skill on the field. Not to be outdone, our men's reserve side also brought home the premiership, triumphing over the Geelong Amateurs. This victory highlights the depth of Torquay junior talent within our club and the hard work put in by the reserve team and their coaches.

It's been an absolute joy to witness their growth and success throughout the season. Back-to-back flags hasn't been achieved by our club since 1987, so it is seriously one mean feat, and we are immensely proud of the quality group of young men that have assembled who represent our club and our brand each year.

Matthew Boag (snr men) won the league "Best & Fairest", Dom Gleeson was named "Coach of the Year" and "Team of the Year" inclusions for 2024 we had, Ben McNamara (Captain) Matthew Boag and Baxter Mensch.

Our Senior Women's team took another huge step forward, under the experienced Nicole Graves, with our team being

promoted to division 1. While the wins didn't come, the coaches and players represented themselves and the club with absolute class. The leadership and character of the team set this group up for amazing success moving forward.

Many connected to the town and the club aren't aware that Torquay FC is one of the largest junior football clubs in Australia. This year many junior teams, both male and female, had amazing seasons, with many making it to the finals. We had five (5) teams playing in grand finals, and the under 15 division 1 girls brought home the silverware, with a spectacular last quarter win.

The role of the club is keeping our community connected, giving people of all ages a place to go, feel safe and valued. As we look forward to next season, let's celebrate these achievements and the spirit of camaraderie that defines our club. Thank you to everyone who has played a part in making season 2024 a memorable one and looking forward to what season 2025 can bring.

Torquay Football Club "a great community club".

FUTURE SENIOR NETBALLERS

AN INVITATION TO JOIN

TORQUAY NETBALL CLUB

Contact Us: Ph 0467 732 899 | Email torquaytigersnetballclub@gmail.com

The Torquay Netball Club has made significant strides both on and off the court this season. With fewer changes at the committee level in 2024, we were able to build on initiatives from previous years while also exploring new avenues for growth and community engagement.

Off-Court Achievements

Our committee has worked tirelessly behind the scenes to ensure the smooth operation of the club. I'd like to acknowledge the efforts of Sarah Bumpstead, Meagan Mifsud, Sandra McKie, Tess Bramham, Steve Blackley, Caity Hickey, Ilona Sliwa, Annie Ross, and Anna Carty. A special mention goes to Katherine Taylor, who laid the groundwork as President for the 2024 season before stepping aside to pursue her business start-up.

This year, we introduced new initiatives and continued with some long-standing traditions:

- **Fundraising Success:** Our Pink Day fundraiser remains a cornerstone event, raising over \$6,000 for Breast Cancer Awareness. Additionally, we hosted three junior clinics during school holidays, introducing new families to the club and giving our senior players a chance to mentor juniors. These clinics were not only a great way to connect with the community but also helped inspire the next generation of players.
- **Past Players and Life Member Events:** During the season, we celebrated the 10-year anniversary of our B-Grade and U/13 Division 1 premierships, bringing together past and present players. These events provide an opportunity to reflect on our history and honor our Life Members who have shaped the club.
- **Community Engagement:** Recognising the diverse interests of families within our community, we made a deliberate effort to create an inclusive environment by adding additional junior teams. This decision allowed more families to participate in netball, particularly those who are also involved in other sports such as football and cricket. By accommodating more players and their families, we strengthened the sense of belonging within the club and reinforced our commitment to being a hub for the broader community.

On-Court Achievements

Our senior teams demonstrated exceptional talent and resilience this season, with all teams (A to E Grade) qualifying for finals. A-Grade, led by Coach Sonia Harris, had a strong campaign, finishing in the Preliminary Final. B-Grade, under Robyn Austin's guidance, had a memorable Preliminary Final victory but fell just short in the Grand Final against Geelong Amateur. Both teams showed incredible determination and skill throughout the season.

Developing our juniors remains a priority. This year, we fielded a record 17 junior teams, an achievement that reflects the growing interest in netball within our community. The Under 13 Division 1, 2, and 4 teams delivered outstanding performances, all bringing premiership cups back to the club. We extend our heartfelt thanks to all junior coaches—past players, parents, senior players, and older junior players—for their dedication and effort in nurturing our young talents. Their mentorship has been invaluable in fostering both skill development and a strong sense of community.

Our junior players demonstrated remarkable growth, supported by senior players who took on coaching roles. Training sessions were well-attended across all age groups, reflecting the dedication of our players and coaches. These sessions focused not only on individual skills but also on teamwork, strategy, and building camaraderie among players.

A major milestone for the club this year was the introduction of our Under 19 State League team. As a first-year initiative, this program required significant effort to get off the ground, from assembling a dedicated group of players to ensuring proper coaching and support structures were in place. Competing in Altona on Tuesday nights, the team faced tough competition, but their commitment and perseverance were unwavering. This dedication not only allowed the players to grow and develop their skills but also strengthened our club's standing in higher-level competitions. The success of this program sets a strong foundation for the future, and we are excited to continue it in 2025.

Presentation Night Highlights

Our Senior Presentation Night at The Novotel in Geelong was a fitting conclusion to a successful year. Robyn Austin and Meagan Mifsud proudly inducted Anna Carty as our 18th Life Member. Anna's incredible 26-year journey with the club includes 369 games, three A-Grade premierships, and numerous coaching achievements.

We also celebrated individual player successes, such as Kiralee Collings, who was awarded the A-Grade League Best and Fairest medal in her debut season with the club. These moments highlight the talent and dedication of our players and set a high standard for future seasons.

Gratitude and Closing Thoughts

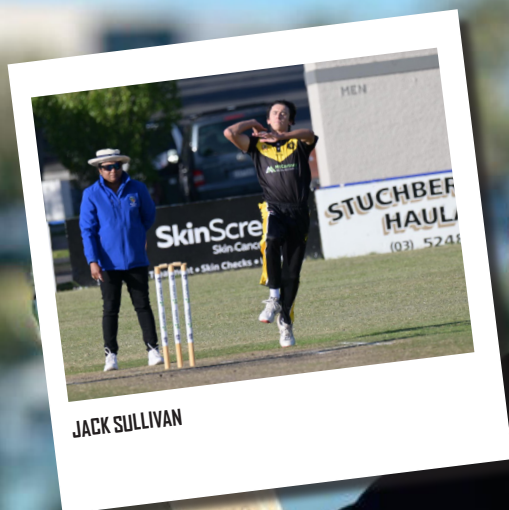

A heartfelt thank you to all our volunteers, parents, coaches, sponsors, players, and supporters. Your contributions, big or small, are the backbone of our club and do not go unnoticed. In particular, our sponsors play a vital role in the club's success. Their generous support enables us to provide quality programs, maintain facilities, and create opportunities for players of all ages to thrive.

We are proud of what we've accomplished and excited about the future. As we look forward to 2025, we remain committed to fostering a strong sense of community, developing our players, and building on the successes of this season.

Thank you for being a part of our journey.

Go Tigers!

JOHN FISHER

FUTURE SENIOR FEMALE CRICKETERS

AN INVITATION TO JOIN

TORQUAY CRICKET CLUB

Contact Us: Email torquaytigerscc@gmail.com

Firstly, to our sponsors, your contribution to the successful running of the Torquay Cricket Club cannot be underestimated. It is so pleasing that, despite uncertain times for many businesses, you continue to support grass roots sports in the local community. We look forward to extending these partnerships over the next few years and warmly welcome you to join us at the Club.

The 2023/24 season was a successful season on-field for the Torquay Cricket Club. We qualified all four Senior Men's Teams for the finals series, and although we ultimately fell short of attaining premiership glory, this was a fantastic achievement and one that the entire club can be proud of. It typifies both the enthusiasm and the talent of all participants, junior and senior, that have represented the Torquay Cricket Club. Playing competitive cricket deep into March is the goal for any cricket club.

We are pleased to introduce Damian O'Brien as Club Coach for the 2024/25 Season. Damian, last year's First XI Captain, will look to continue to promote the strategies and systems that were implemented last year. John Fisher returns as Coach of the Senior Women's side for his second full season at the helm. He will look to build on the

positive back end to the season that the women enjoyed and turn it into a finals appearance this season. The Junior section has hit the ground running, with particular thanks needing to go to Nigel Sullivan as Junior Coordinator. It was particularly pleasing to see the Woolworths Blast participants filling the oval on Thursday evenings. What a sight to see future stars having a blast on McCartney Oval!

On-field, the 2024/25 Season has started well, with all five senior mens and womens teams in the top four, and on track for finals cricket. Of particular focus this season will be the Club Championship. After finishing in second position last season we are looking to give it a shake this season. At the time of writing we are currently in second place, four points behind Lara CC, who came down from Division 1. We will endeavour to have a strong lead in to Christmas to consolidate this position.

Tim Humphries
President - Torquay Cricket Club
